"SPIRITUAL MATRIX"INTERIOR - OFFICE AT WORK - DAY

NEO, A SUCCESSFUL BUSINESSMAN, IS SEATED BEHIND AN OFFICE DESK TALKING ON THE PHONE. HE IS GLOATING OVER HIS PERSONAL ACHIEVEMENTS

NEO

Thanks for the congratulations.

(listens) Yes, [current year] has been a great year for me. I've started my own consulting business, my first book is already on the best-seller list, and next month I'll be featured in Time Magazine. (listens) Well, the Editor hasn't decided on the title. I suggested something like, "A Self-Made Success - From Rags to Riches".

(checks watch) Hey Bob, I have to go. I'm having dinner with the Mayor tonight. This is his last term in office. He probably wants a few pointers on how to **really** be successful.

NEO HANGS UP THE PHONE AND BEGINS TO STRAIGHTEN UP THE LOOSE PAPERS ON HIS DESK.

MORPHEUS AND TRINITY ENTER FROM BACK STAGE. EACH HAS A CELL PHONE IN THEIR HAND.

NEO

(shocked)

Hey, who are you? How did you get in here?

MORPHEUS

(puts away cell phone) You wouldn't understand Neo. Besides, that's not important.

NEO

How do you know my name?

TRINITY

We know everything about you Neo.

NEO

Who are you?

MORPHEUS

My name is Morpheus and this is Trinity. We've come to help you.

NEO

Help me with what?

TRINITY

To understand the source of your success.

NEO

Wait a minute. Do you know who I am? I'm one of the most powerful and influential men in the country.

MORPHEUS

Neo, you're having a Matrix Experience.

NEO

A what?

MORPHEUS

A Matrix Experience... a delusional state in which you believe that you control your life, your destiny.

TRINITY

We heard you praise yourself for all you have achieved. That's what the agents of the enemy want you to believe.

NEO

I don't understand? What agents? What enemy?

MORPHEUS

The invisible agents of this world who want you to believe that you have "The Power".

TRINITY

They desire that you honor yourself for what you have done and not the One who did it for you.

MORPHEUS

You only know of life in this physical world...this Matrix. But there is a spiritual realm where invisible forces of good and evil war against one another. These spiritual forces battle to control your life...your destiny.

NEO

Look, you guys are really starting to freak me out. Are you trying to tell me none of this is real? That I'm not Neo, a self-made millionaire.

TRINITY

Yes, you are Neo and you are a millionaire.

MORPHEUS

You're just NOT self-made. You are who you are according to the will of God and His purpose for you. Man can be nothing apart from God. Do you think that Beethoven blessed himself with talent to compose great symphonies?

TRINITY

Or that Einstein created his own genius that he might comprehend the concepts of gravity.

NEO

I...I never thought about it like that before.

MORPHEUS

Neo, all we can do is reveal the Truth to you. You must make the final decision.

TRINITY PICKS UP A NEWSWEEK OR TIME MAGAZINE FROM THE OFFICE DESK.

TRINITY

You can choose to accept what this world has to offer and continue to live in the Matrix...

MORPHEOUS PULLS OUT A SMALL POCKET BIBLE.

MORPHEOUS

...or you can choose to accept the gift of God and begin your spiritual journey.

NEO

But will I have to give up all that I have?
